

RIVO MULTITRADE OPTICAL SYSTEMS

ASEAN Distribution Box Sales Manufacturer

Overview

Our Caretron+ and Optipro Distribution Boards are designed to meet the needs of both aesthetics and utility.

Key Takeaways

Key manufacturers and distributors of distribution boxes in ASEAN include Hensel via Asiatic Group and Rittal through authorized channel partners across the region. Leading Manufacturers and Suppliers

1. Asiatic Group – Hensel Distribution Boxes The Asiatic Group in Singapore represents Gustav Hensel GmbH & Co. KG, a leading manufacturer of electrical installation and power distribution systems. Hensel specializes in low-voltage distribution boards, junction boxes, and enclosures designed for harsh environments with dust, humidity, and extreme weather conditions. Their products include:

- ENYCASE cable junction boxes: IP65-IP67 protection, UV-resistant, halogen- and silicon-free, flame retardant, double insulated.
- ENYBOARD small distribution boards: Up to 63A, with FIXCONNECT terminal technology.
- ENYSTAR enclosure system: For distribution boards up to 250A, suitable for outdoor and industrial applications.

- ENYMOD Mi distribution boards: Self-assembled power switchgear combinations up to 630A.

- ENYSUN solutions: Standard-compliant systems for photovoltaic power plants. These products are customizable, tested, and compliant with IEC standards, ensuring safe and reliable energy distribution in commercial, industrial, and outdoor installations (Asiatic Group) . 2. Rittal – Authorized ASEAN Channel Partners Rittal provides industrial enclosures, power distribution systems, climate control units, and IT infrastructure solutions. Their products are distributed through authorized channel partners in Singapore, Philippines, Malaysia, Thailand, Indonesia, and Vietnam. These partners handle sales, system integration, and after-sales support for Rittal's enclosures and distribution solutions, making them a key option for businesses seeking reliable distribution boxes in ASEAN .

Market Context

The ASEAN warehousing and distribution logistics market is growing rapidly, with a projected value of USD 33.11 billion in 2026, expanding at a CAGR of 5.11% to reach USD 42.49 billion by 2031. This growth is driven by e-commerce, retail expansion, and regional supply chain optimization. Companies like DHL Supply Chain, CEVA Logistics, Century Logistics, DSV, and Linfox are major players in distribution, which increases demand for high-quality distribution boxes and enclosures for industrial and commercial applications .

Summary

For businesses in ASEAN seeking distribution boxes, the main options include:

- Asiatic Group (Hensel products) for industrial-grade, customizable enclosures and distribution boards.
- Rittal via authorized channel partners for standardized industrial enclosures and power distribution solutions. These suppliers provide IEC-compliant, durable, and weather-resistant products suitable for commercial, industrial, and renewable energy applications, with regional support across ASEAN countries.
