

Botswana Engineering Cable Tray Customization Price Inquiry

Overview

Botswana Cable Tray Price Inquiry We offer Cable Tray in Botswana in different specifications at competitive market prices. Our range is customized and pass.

Key Takeaways

Cable tray prices in Botswana vary depending on material, size, and supplier, with options available from multiple local manufacturers and exporters. Overview of Suppliers

Several reputable companies supply cable trays in Botswana:

- Brilltech Engineers Pvt. Ltd. offers a wide range of cable trays, including perforated, ladder, and solid-bottom types, made from galvanized steel, stainless steel, and fiberglass. They provide both standard and customized solutions, catering to industrial and commercial projects, and emphasize compliance with international quality standards .
- Jeetmull Jaichandlall (P) Ltd. manufactures cable trays in various sizes, shapes, and configurations, suitable for construction, mining, automotive, and agricultural applications. Their trays are designed for durability, ventilation, and load-bearing capacity .

- Cable House supplies cable trays with a focus on durability, reliability, and long operating life, using graded raw materials and modern manufacturing technologies. They also offer competitive market pricing and export services .

Factors Affecting Cable Tray Prices

- Material: Galvanized steel is generally more affordable, while stainless steel and fiberglass trays are higher in cost due to corrosion resistance and durability.
- Type and Design: Ladder trays, perforated trays, and solid-bottom trays differ in manufacturing complexity, affecting price.
- Size and Load Capacity: Larger trays or those designed for heavy-duty applications cost more.
- Customization: Tailored solutions for specific projects or industrial requirements can increase the price.
- Supplier and Volume: Bulk orders or long-term contracts may reduce per-unit costs, while small orders may be priced higher.

How to Obtain Prices

Since exact prices are not publicly listed, the most reliable approach is to contact suppliers directly for quotations. Many suppliers, including Brilltech Engineers and Cable House, provide customized quotes based on project specifications . Online platforms like Go4WorldBusiness also list price quotations for bulk buyers and importers .

Recommendations

- Specify the material, size, and type of cable tray needed before requesting a quote.
- Compare multiple suppliers to ensure competitive pricing and quality.
- Consider long-term durability and compliance with safety standards when evaluating cost. By contacting these suppliers directly, you can obtain accurate, up-to-date pricing tailored to your project requirements in Botswana.
