

Dominic Cable Tray Suppliers

Overview

Buy premium Dominic Alloy Plastic Cable Trays in bulk from verified wholesale suppliers and manufacturers.

Key Takeaways

Dominic cable trays are available from specialized manufacturers and B2B suppliers offering high-quality tray-type cable management systems. Key Manufacturers and Suppliers

- **Dominic – Germany** Dominic is a manufacturer of high-quality tray-type cable trays, providing solutions for industrial and commercial cable management needs. Their products are listed on B2B marketplaces like Europages, allowing direct contact with wholesalers and distributors for bulk orders or customized solutions .
- **SCArA-Tec and Niedax Group** SCArA-Tec specializes in industrial electrical installations and assembly, while Niedax offers a wide range of cable support systems made of steel, stainless steel, PVC, GRP, or aluminum. Niedax has over 100 years of experience and operates globally, providing technical consulting, planning, and installation services .
- **Emit Metal (Turkey)** Emit Metal manufactures metal cable trays, ladders, and trunking systems with a monthly production capacity exceeding 1000 tons. They supply both standard and custom solutions for industrial applications .

- Global B2B Platforms Platforms like Tradewheel and B2B marketplaces list multiple manufacturers of ladder, perforated, and wire mesh cable trays. These platforms allow buyers to explore customized solutions, compare prices, and source products internationally, including stainless steel and galvanized options .
- Other Notable Manufacturers
- Atkore International – Offers cable trays, cable management systems, and infrastructure products with extended warranties .
- Chalfant Manufacturing – Provides innovative self-connecting and walkable tray lines .
- Sunil Engineering Corporation – Specializes in perforated and ladder-type trays with accessories .
- ELCON Cable Trays Pvt. Ltd. – Manufactures wire mesh, ladder, and perforated trays for export .

Product Types and Materials

Dominic and associated suppliers provide a variety of cable tray types to suit different applications:

- Ladder-type trays – Ideal for heavy-duty industrial use, oil, gas, and renewable energy sectors.
- Perforated trays – Suitable for medium loads and better ventilation.
- Wire mesh trays – Flexible and lightweight, often used in IT and data centers.
- Materials – Steel, stainless steel, aluminum, PVC, and GRP, depending on environmental and load requirements .

Summary

Dominic cable trays can be sourced through direct manufacturers in Germany, specialized industrial suppliers like SCAR-A-Tec and Niedax, or global B2B marketplaces. Buyers can select from a wide range of materials, tray types, and accessories, ensuring solutions tailored to industrial, commercial, or infrastructure projects. These suppliers also provide technical support, installation guidance, and customization options to meet specific project requirements .
