How much does a single-mode fiber optic patch cord cost in Nepal

Overview

Buy fiber patch cord Online at Best Price in Nepal Nepal - Shop for Best Online at Daraz.com.np Wide Variety of fiber patch cord. Great Prices, Even Better.

Key Takeaways

Single-mode fiber optic patch cords in Nepal typically cost between NPR 1,500 and NPR 3,000, depending on length and connector type. Price Range and Factors

The cost of a single-mode fiber optic patch cord in Nepal varies based on length, connector type, and quality. For example, SC/APC-SC/UPC or SC/UPC-SC/UPC connectors are commonly used, and prices for these cords range from NPR 1,500 for shorter lengths (1–2 meters) to around NPR 3,000 for longer lengths (5–15 meters) . Other factors affecting price include:

- Cable length: Longer cords cost more. Typical lengths are 1m, 2m, 3m, 5m, and 15m .
- Connector type: SC, LC, FC, ST, and APC or UPC ferrule end-faces influence cost .
- Cable quality: Premium brands or high-performance cords may be slightly more expensive.

Where to Buy

You can purchase single-mode fiber optic patch cords from several online and local retailers in Nepal:

- Daraz Nepal: Offers a wide variety of fiber patch cords with competitive pricing and delivery options .
- MyStoreNepal: Lists specific products like 3m SC-SC single-mode simplex cords with home delivery and cash-on-delivery options .
- Insight Infosys: Provides a range of ICT products including fiber optic patch cords, suitable for both residential and commercial use .

Recommendations

- Compare prices across multiple retailers to find the best deal.
- Check product specifications carefully, including core type (single-mode 9/125µm) and connector type, to ensure compatibility with your network equipment .
- Read customer reviews to confirm reliability and performance, especially for longer cords or critical network setups . By considering these factors, you can select a cost-effective and reliable single-mode fiber optic patch cord for your home or business network in Nepal.
