

Manufacturer of Explosion-proof Cold Aisle Container Racks

Overview

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc., acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. XNAIR builds certified explosion-proof cold rooms for sensitive industrial electronics in chemical environments. Our solutions integrate ATEX/IECEX-compliant systems with precision temperature control (-40°C to $+30^{\circ}\text{C}$), preventing electrostatic hazards for PCB storage, semiconductors, and reactive. Adaptable to hot and cold aisle containment, the Vertiv Aisle Containment system allows you to deploy containment before or after racks are installed to simplify installation and speed deployment of new data center equipment. Pathway Support Structures ● Vertical Panels ● Cabinet Brackets.

Article Content

Industrial Electronics Ex-proof Cold Storage Solutions-XNAIR

ATEX-certified explosion-proof cold rooms by XNAIR. Precision temperature control (-40°C to +30°C) for electronics storage in hazardous areas. Design,...

Aisle Containment | Vertiv Hot/Cold Aisle Containment Solutions

Adaptable to hot and cold aisle containment, the Vertiv Aisle Containment system allows you to deploy containment before or after racks are installed to simplify installation and speed deployment of new

Certified Explosion-Proof Cold Storage Solutions | LengdiCold

Certified explosion-proof cold storage solutions for hazardous locations. We design and build compliant facilities for the chemical and industrial sectors.

Hot & Cold Aisle Containment Systems For Data

Cool Shield™ products provide customers with versatile, turnkey aisle containment systems for new or existing critical spaces. Our offerings range from a single

Cold Aisle Containment

2. The net height of aisle container is above 2 meters when the top panel dropped away, so the daily maintenance will not be affected. 3. Thanks to the modular

Industrial Electronics Ex-proof Cold Storage Solutions-XNAIR

XNAIR builds certified explosion-proof cold rooms for sensitive industrial electronics in chemical environments. Our solutions integrate ATEX/IECEx-compliant systems with precision temperature

Aisle Containment

Cloud-Series Aisle Containment offer a low-cost, modular design, compatible with the Cloud-Series Server Racks for greater flexibility and compatibility while

Hot Aisle Containment | Legrand

Legrand hot aisle containment solutions optimize airflow, reduce energy consumption, and ensure peak performance for critical infrastructure. Hot aisle containment is the most common method for

Hot and Cold Aisle Containment Solutions Ardmac

Get expert hot and cold aisle containment solutions for your data centres with Ardmac. Our tailored approach maximises efficiency.

Cold Aisle Containment – Rack Standing

CAC-RS, Cold Aisle Containment system with complete hot and cold air separation. Optimizing air flow in your data center with the use of containment has several benefits, including reducing energy costs

Cold Aisle Containment – Rack Standing

CAC-RS, Cold Aisle Containment system with complete hot and cold air separation. Optimizing air flow in your data center with the use of containment has several

Aisle Containment Systems Physical Containment Systems ...

Aisle Containment Systems by Vertiv™ Aisle Containment is the logical extension of the hot aisle/cold aisle concept of data center design.

Explosion Proof Refrigerators, Walk in Freezers | Polar

Polar King offers explosion proof freezers and refrigerators for special use or hazardous (classified) locations. Ensure safety and compliance today!

Cold room shelving & storage racks, sds shelf manufacturer China

Cold room shelving & storage racks system Cold room shelving and racking systems are widely used in Cold room, Cold warehouse, Coolroom, freezer room, reefer container, refrigerated container.

42u Server Data Center Rack Cold Aisle Containment

AZE Modular Server Container One-Stop Service High Configuration Integrated Solution Micro Data Center Cold Air Containment System In the modern data

On cold-aisle containment of a container datacenter

A full cold-aisle containment design without Coanda effect shows the best overall performance. In this study, influences of various blockage arrangements as well as cold-aisle

Cold Aisle Containment

2. The net height of aisle container is above 2 meters when the top panel dropped away, so the daily maintenance will not be affected. 3. Thanks to the modular

Industrial Electronics Ex-proof Cold Storage Solutions-XNAIR

XNAIR builds certified explosion-proof cold rooms for sensitive industrial electronics in chemical environments. Our solutions integrate ATEX/IECEx-compliant systems with precision temperature

Aisle Containment

Cloud-Series Aisle Containment offer a low-cost, modular design, compatible with the Cloud-Series Server Racks for greater flexibility and compatibility while

Hot Aisle Containment | Legrand

Legrand hot aisle containment solutions optimize airflow, reduce energy consumption, and ensure peak performance for critical infrastructure. Hot aisle containment is the most common method for

Hot and Cold Aisle Containment Solutions Ardmac

Get expert hot and cold aisle containment solutions for your data centres with Ardmac. Our tailored approach maximises efficiency.

Cold Aisle Containment – Rack Standing

CAC-RS, Cold Aisle Containment system with complete hot and cold air separation. Optimizing air flow in your data center with the use of containment has several benefits, including reducing energy costs

Industrial Electronics Ex-proof Cold Storage Solutions-XNAIR

ATEX-certified explosion-proof cold rooms by XNAIR. Precision temperature control (-40°C to +30°C) for electronics storage in hazardous areas. Design,...

Aisle Containment | Vertiv Hot/Cold Aisle Containment Solutions

Adaptable to hot and cold aisle containment, the Vertiv Aisle Containment system allows you to deploy containment before or after racks are installed to simplify installation and speed deployment of new

Certified Explosion-Proof Cold Storage Solutions | LengdiCold

Certified explosion-proof cold storage solutions for hazardous locations. We design and build compliant facilities for the chemical and industrial sectors.

Hot & Cold Aisle Containment Systems For Data

Cool Shield™ products provide customers with versatile, turnkey aisle containment systems for new or existing critical spaces. Our offerings range from a single

Refrigerated Containers | Klinge™ Corporation

Our container refrigeration units are built to the highest standards and made to hold up under tough conditions, making them ideal for military and government use

Data center aisle containment solutions

We manufacture fully customized racks designed to support cold aisle solutions that align with your airflow requirements and energy efficiency goals. With NexGen's precision manufacturing, you'll have

Confined Cold Aisle

It enables you to integrate your equipment and host your customers rapidly. Cool air pulses through the technical floor and is channeled to the front of the bays, by

Cold Aisle Containment | Legrand

By maintaining consistent, predictable temperatures, cold aisle containment minimizes thermal stress and reduces the risk of overheating, improving reliability and extending equipment lifespans.

Data Center Hot/Cold Aisle Containment Systems | Eaton

Keep your server rack aisles cool to prolong network equipment life and data center efficiency. Full scale aisle containment solutions. Modular kits for every edge-of

Data center racks and aisle containment | Enoc System

Our flexible server racks and aisle containment solutions for hot and cold corridors are both cost and energy efficient. We help you to create a complete, future

Industrial Electronics Ex-proof Cold Storage Solutions-XNAIR

ATEX-certified explosion-proof cold rooms by XNAIR. Precision temperature control (-40°C to +30°C) for electronics storage in hazardous areas. Design,...

Aisle Containment | Vertiv Hot/Cold Aisle Containment Solutions

Adaptable to hot and cold aisle containment, the Vertiv Aisle Containment system allows you to deploy containment before or after racks are installed to simplify installation and speed deployment of new

Certified Explosion-Proof Cold Storage Solutions | LengdiCold

Certified explosion-proof cold storage solutions for hazardous locations. We design and build compliant facilities for the chemical and industrial sectors.

Hot & Cold Aisle Containment Systems For Data

Cool Shield™ products provide customers with versatile, turnkey aisle containment systems for new or existing critical spaces. Our offerings range from a single

Refrigerated Containers | Klinge™ Corporation
