Key Takeaways

Cable tray prices in Nepal vary widely depending on material, type, size, and finish, typically ranging from NPR 1,500 to NPR 10,000 per tray for standard sizes. Types and Materials

Cable trays in Nepal are available in multiple types and materials, which significantly influence pricing:

- **Ladder Cable Trays:** Commonly used for heavy-duty applications; available in GI, stainless steel (SS 202/304/316), and hot-dip galvanized finishes. Standard lengths are 2.5 meters, with widths from 100mm to 1000mm and thicknesses from 1.6mm to 3mm .
- **Perforated Cable Trays:** Include welded or bolt-and-nut types; suitable for medium loads and ventilation of cables. Available in pre-galvanized, powder-coated, painted, or stainless steel finishes .
- **GRP (Glass Reinforced Plastic) Cable Trays:** Lightweight, corrosion-resistant, and ideal for chemical or outdoor environments. Widths range from 50mm to 1200mm, lengths from 6m to 18m, and thicknesses from 3mm to 10mm .

- Raceways and Metal Cable Trays: Designed for commercial and industrial installations, offering strong support, easy installation, and flexible layouts .

Factors Affecting Price

- Material: Stainless steel and GRP trays are more expensive than GI or pre-galvanized trays.

- Size and Thickness: Wider and thicker trays cost more due to higher material usage.

- Finish: Powder-coated, painted, or hot-dip galvanized finishes increase durability and price.

- Accessories: Bends, couplers, and supports add to the total cost.

Price Range

While exact prices fluctuate based on supplier and market conditions, typical ranges in Nepal are:

- Small GI or perforated trays (100–300mm width, 1.6–2mm thickness): NPR 1,500–3,500 per tray

- Medium ladder trays (300–600mm width, 2–3mm thickness): NPR 4,000–7,000 per tray

- Large stainless steel or GRP trays (600–1000mm width, 3–10mm thickness): NPR 7,000–10,000+ per tray

How to Obtain Current Prices

For accurate and up-to-date pricing, it is recommended to contact local suppliers and manufacturers directly:

- Cable Tray Company Nepal: Offers GI, SS, and ladder trays with various finishes

- Kiash Electricals: Supplies metal trays suitable for industrial and commercial projects

- Vaishno Storage Solution: Provides stainless steel and metal cable trays

- Aeron GRP Trays: Specializes in corrosion-resistant GRP cable trays

- Spangle Steel Products: Offers factory prices for conveyor and SS cable trays

Requesting a quotation with your specific tray type, dimensions, and quantity will provide the most accurate pricing for your project.
