

New Zealand Drop Fiber Optic Patch Cord Retailer

Overview

50M Indoor Fiber Drop Cable Optical Patch Cord FTTH With a fiber type of single mode, this patch cord provides excellent signal integrity and low attenuation.

Key Takeaways

Top New Zealand retailers for fiber optic patch cords include 4Cabling, Pearlyond Technologies, PBTech, and RS NZ, offering a wide range of multimode and single-mode cables with various connector types.

1. 4Cabling
4Cabling is a New Zealand-based supplier offering multimode and single-mode fiber optic cables, patch leads, and patch panels. They provide online retail with fast shipping across New Zealand, expert advice, and sales support, making them suitable for both small and large networking projects. Their website allows you to browse and purchase products directly.

2. Pearlyond Technologies

Pearlyond Technologies is an ISO9001-certified manufacturer and supplier of fiber optic patch cords and test equipment in New Zealand. They stock 50/125 multimode, 62.5/125 multimode, and 9/125 single-mode patch cables with a wide variety of connectors including LC, SC, ST, FC, MPO/MTP, E2000, DIN, SMA, D4, Escon, and MTRJ . Pearlyond also offers custom-made solutions, pre-terminated assemblies, adapters, attenuators, and cable management units. Their products are fully tested and traceable, meeting international standards such as Telcordia-326-CORE, ANSI/TIA/EIA, ISO/IEC 11801, and IEEE .

3. PBTech

PBTech provides high-quality fiber optic cables suitable for premium connectivity, including short-range and long-range applications. They focus on fast delivery and retail availability, making them a convenient option for immediate needs . Their selection is ideal for both audio-visual and networking applications.

4. RS NZ

RS NZ offers a comprehensive range of fiber optic cables, including single-mode and multimode types. Single-mode fiber is ideal for long-distance, high-bandwidth applications, while multimode fiber is suitable for shorter distances such as LANs and data centers . RS NZ provides detailed product specifications to help select the right cable for your project.

Summary

For purchasing fiber optic patch cords in New Zealand, you can consider:

- 4Cabling: Retail and online sales with expert advice and fast shipping.
- Pearlyond Technologies: Manufacturer and supplier with extensive connector options, custom solutions, and ISO-certified quality.
- PBTech: Retailer with high-quality cables and fast delivery.
- RS NZ: Supplier with a wide range of single-mode and multimode cables for various applications. These retailers cover both standard and custom fiber optic patch cords, ensuring options for professional networking, telecommunications, and data center setups.
