

North Asia Steel Plate Distribution Box Explosion-proof Factory

Overview

BXP51 series explosion-proof power distribution cabinet (IIB, IIC, The shell is made of high-quality steel plate and is equipped with explosion-proof electrical components).

Key Takeaways

Leading manufacturers in North Asia include Tengda Explosion-proof Technology, Nanyang Zhongtong Intelligent Technology, Miretti Group, and Qijun Electric, offering certified explosion-proof distribution boxes and enclosures. Key Manufacturers and Capabilities

1. Tengda Explosion-proof Technology Co., Ltd. Located in China, Tengda specializes in explosion-proof distribution boxes, control boxes, junction boxes, and lamps. They offer a wide range of products with dust-proof, waterproof, and anti-corrosion features, supporting large-scale customization and multiple specifications. Their production process ensures quality from raw material inspection to finished product packaging, making them suitable for industries like petroleum, chemical, natural gas, shipbuilding, and aerospace . 2. Nanyang Zhongtong Intelligent Technology Group Co., Ltd. Headquartered in Nanyang, Henan Province, China, Zhongtong focuses on intelligent explosion-proof electrical products including control cabinets, air conditioners, lighting systems, and ventilation systems. They hold international certifications such as ATEX, IECEx, and Russia CU-TR, and supply major enterprises like Sinopec and PetroChina. Their products are widely used in petrochemicals, coal power, railways, metallurgy, and marine industries . 3. Miretti Group Miretti provides explosion-proof solutions across the APAC region, with production facilities in Singapore and Suzhou, China. They offer ATEX and IECEx certified distribution boxes, ex components, and mobile vehicle conversions for hazardous environments. Miretti emphasizes fast response, on-site support, and availability of spare parts, making them a reliable partner for oil & gas, underground operations, and material handling industries . 4. Qijun Electric Qijun Electric manufactures stainless steel flameproof enclosures and junction boxes tailored to client specifications. Their products comply with ATEX and IECEx standards and are suitable for Zones 1 and 2 gas areas and Zones 21 and 22 dust areas. They provide custom solutions integrating push-buttons, terminals, PLCs, and other monitoring functions, ideal for industrial automation and process technology applications .

Considerations for Selection

- **Certifications:** Ensure ATEX, IECEx, or local regulatory compliance for hazardous areas.
- **Material Quality:** Stainless steel or anti-corrosion coatings for durability in harsh environments.
- **Customization:** Ability to integrate control elements, monitoring systems, and size specifications.
- **After-Sales Support:** Availability of spare parts, technical support, and on-site service.
- **Industry Experience:** Manufacturers with proven applications in petrochemical, mining, shipbuilding, and industrial automation sectors. These manufacturers provide a comprehensive range of explosion-proof steel plate distribution boxes suitable for North Asian industrial applications, with options for customization, certified safety, and reliable after-sales service.

2026 Top 10 Explosion-Proof Distribution Box Manufacturers in China

Core products: Explosion-Proof Distribution Box, Stainless Steel Explosion-Proof Flexible Pipe, Box-Type Substation. Explosion

Alloy Industry Explosion Proof Electrical Equipment

Alloy Industry Co., Ltd. have grown and prospered alongside Thailand's expeditious industrial expansion for more than 53 years.

China Explosion Proof Distribution Box Manufacturer

YXFB Explosion-Proof is a professional Explosion Proof Distribution Box manufacturer and supplier in

Steel factory blast kills six in China's Inner Mongolia

BEIJING – An explosion at a steel plate factory in China's northern region of Inner Mongolia on Jan 18 killed six

HWASIN Industrial Systems

We have steel, stainless steel, plastic, aluminum and explosion-proof enclosures and can respond to any needs. We also have

China Explosion-proof Distribution Boxes Suppliers

Explosion-proof distribution boxes and cabinets are essential components for industries operating in hazardous environments. These

Low Voltage Partly-welded Type KAIWEI Explosion

Low Voltage Partly-welded Type KAIWEI Explosion Proof Enclosure distribution board, Find Details and

Durable IP66 Explosion Proof Distribution Box Electrical Enclosure ...

Specialising in the design and production of a wide range of explosion-proof electrical products, including appliances, lighting

Explosion-Proof Distribution Boxes & Panels

An explosion-proof distribution box is a rugged enclosure for hazardous areas, safely delivering power

Explosion-proof Distribution Box Manufacturers

Explosion-proof Distribution Box Manufacturers, Factory, Suppliers From China, We, with open arms, invite

Explosion Protected Control Boxes |Innovations | R. STAHL

The 8150 series sits perfectly alongside R. STAHL's portfolio of other explosion proof and hazardous areas equipment, including

Shenyang North Explosion-proof Co., Ltd.-Explosion-proof electrical ...

Shenyang North Explosion-proof Co., Ltd. was founded in 1991 and is located in Heping District, Shenyang City, Liaoning Province. It

Explosion-Proof Distribution Box Explosion Proof Distribution Box ...

Kaiwei products have passed ATEX, CCC, CE, INGRESS PROTECTION, factory explosion-proof certification and ISO9001-2000

Electrical Junction Box Supplier in Malaysia | IEP Sdn. Bhd.

Exe IP66 Junction Box When it comes to secure electrical installations, choosing the right junction box in Malaysia is crucial. IEP, a

Exd Iic Explosion Proof and Anti-Corrosion Distribution Box 8 Holes ...

A: Are you factory or trading company? Q: We are a factory and provide OEM services. Our main products are explosion-proof

Custom CZ1390 Explosion-proof distribution panel (Moveable)

CZ1390 Explosion-proof distribution panel (Moveable) Prodcuts Features: The distribution box could be portable or movable, which is

Explosion Proof Control Panel

The explosion proof control panel is to control and regulate the operation of various equipment and devices in a certain space,

Stainless Steel Explosion-Proof Corrosion-Resistant Distribution Box ...

BX51 Stainless Steel Explosion-Proof Distribution Box is engineered to control power distribution safely in explosive-prone areas.

Ea Explosion Proof Stainless Distribution Box Factory Distribution ...
