

RIVO MULTITRADE OPTICAL SYSTEMS

Optical fiber optic cable optical rod manufacturer

Overview

Get quotes and details on fiber optic rod, fiber rod, fiber optic tapers and related products directly from the manufacturer.

Key Takeaways

Leading manufacturers of optical fiber rods and FRP rods include Fiberoptics Technology Inc., Fibure, HEC-Holland, and Aksh OptiFibre Ltd., offering a wide range of sizes, coatings, and applications. Fiber Optic Rod Manufacturers

Fiberoptics Technology Inc. (FTI) specializes in manufacturing fiber optic rods, also known as optical rods, for industrial and dental curing applications. Their rods range in diameter from 0.010" (0.25 mm) to 0.50" (12.5 mm) and lengths from 1" (25 mm) to 60" (1.5 m), with larger diameters available upon request. FTI provides polished rods ready for use, including multi-fiber rods that improve light transmission in bent configurations and can serve as image conduits for specialized applications .

FRP Rod Manufacturers for Cable Reinforcement

Fibure produces FRP (Fibre Reinforced Polymer) rods designed to reinforce fiber optic cables. These rods range from 0.4 mm to 6.5 mm in diameter and are available with coatings such as EAA (Ethylene Acrylic Acid) and HDPE for improved handling and grip. FRP rods prevent cable buckling, reduce stress on optical fibers, and are suitable for both central and peripheral reinforcement in aerial or underground installations. HEC-Holland supplies high-quality FRP rods with custom options including high tensile strength, water-resistant coatings, extended lengths, and specialized shapes. Their rods are made from top-grade E-glass fibers with proprietary resin blends, ensuring durability and optimal signal transmission. HEC-Holland emphasizes rigorous mechanical and aging tests to guarantee performance in extreme conditions. Aksh OptiFibre Ltd. is a global leader in FRP rod production, with an annual capacity of 1 million km, making it one of the largest single facilities worldwide. Their FRP rods, ranging from 0.4 mm to 6.5 mm, are available with EAA and HDPE coatings. Aksh serves major optical fiber cable manufacturers such as Corning, Draka, Prysmian, Nexan, Fujikura, and Furukawa, and exports to over 30 countries. The company also produces aramid-reinforced rods and water-blocking glass yarns for enhanced cable strength and longevity.

Summary

For sourcing optical rods or FRP rods for fiber optic cables, these manufacturers provide a range of options:

- Fiberoptics Technology Inc. – Optical rods for industrial and dental applications, multi-fiber rods for improved light transmission.
- Fibure – FRP rods for cable reinforcement with lightweight, high-strength design.
- HEC-Holland – Custom FRP rods with specialized coatings and high-performance specifications.
- Aksh OptiFibre Ltd. – Large-scale FRP rod production with global distribution and multiple coating options. These suppliers offer both standard and customized solutions to meet diverse industrial and telecommunication requirements.

Polyrod: FRP & GRP Rod Manufacturer | Bulk Supplier USA

Polyrod is a leading manufacturer and supplier of high-performance FRP (Fiber Reinforced Plastic) Rods and GRP (Glass

Fiber Optic Rod / Fiber Rod

Get quotes and details on fiber optic rod, fiber rod, fiber optic tapers and related products directly from the manufacturer.

QPC Fiber Optic, LLC

We specialize in designing and manufacturing fiber optic connectors, fiber optic cable assemblies, and custom fiber optic products for

10 Best Fiber Optic Manufacturers for 2026

This comprehensive guide examines the top fiber optic cable manufacturers delivering high-performance fiber optic

Fiberoptics Technology Inc.

Fiberoptics Technology Inc. is a leading global manufacturer and supplier of standard and custom designed OEM non-telecom fiber

FRP – Cable Reinforcement Solutions | Recartelecom

FRP – Cable Reinforcement Solutions Aksh is a pioneer in manufacturing of raw materials for optical fibre cables. AKSH is globally

Top 24 Fiber Optic Cable Manufacturing Companies

Want to Find More Fiber Optic Cable Manufacturing Companies? If you want to find more companies that provide optical cables and

Top 15 Fiber Optic Manufacturers (2026 Global Ranking)

An authoritative 2026 guide to the top 15 fiber optic manufacturers — from Corning and Prysmian to Fujikura and LS Cable — with

JRD Fibre Composite

I took charge of a financially distressed unit and turned it into a thriving organisation specialising in high-quality FRP and ARP rods,

Fiber Optic Cables | Corning

Corning's invention of the first low-loss optical fiber ignited the critical spark that began a communications revolution that forever

Leader Optec – South Africa – Leader Optec

Our mission is to be the leading supplier of passive fibre optic solutions in sub-Saharan Africa by offering an unbeatable customer

Fiber-optic cable

A fiber-optic cable, also known as an optical-fiber cable, is an assembly similar to an electrical cable but containing one or more

Fiber Optic Cable Assemblies & Custom Fiber Solutions | iFiber Optix

iFiber Optix manufactures high-quality fiber optic cable assemblies, custom fiber solutions, and patch cables. BABA & TAA

Optical Fiber Made in the USA | Prysmian

Explore our fiber optic cabling made in the USA, delivering reliable connectivity & innovation. Learn how our U.S. based production

Fiber Optic Cable Manufacturers | US Supplier Directory

This directory lists 84 fiber optic cable manufacturers across the United States, from specialty tactical cable producers to high-volume
