Price of Bahama drawer cabinet electrical control box

Overview

Buy online for top quality electrical boxes and covers in the electrical department at Kelly's House & Home.

Key Takeaways

The Baxi Bahama 100 electrical control box (PCB) is typically priced around £68 (\$85-\$90 USD), depending on the seller and shipping options.

The Bahama drawer cabinet electrical control box, also known as the Baxi 245005 control PCB, is a replacement part for the Bahama 100 boiler system . On platforms like eBay UK, new units are listed at approximately £68, with some sellers offering fast delivery and customer support for installation guidance . Prices may vary slightly depending on location, shipping fees, and currency conversion.

Key Considerations

- Condition: Most listings are for brand-new, unused, unopened items in original packaging .
- Compatibility: Ensure the control box matches your specific Bahama 100 model before purchase .
- Installation: Parts should be installed by a qualified technician to ensure safety and proper operation .

- **Alternative Suppliers:** Industrial electrical control cabinets can also be sourced from suppliers like MISUMI or Cambridge Electric, which offer a range of control boxes and cabinets for residential and industrial applications . Prices for generic electrical control cabinets vary widely depending on size, material, and features.

Summary

For a direct replacement Bahama drawer cabinet electrical control box, expect to pay around £68 (\$85-\$90 USD) for a new unit. Always verify compatibility with your boiler model and consider professional installation to ensure safety and functionality .
