Qatar Cable Tray Manufacturer

Overview

Adastra WLL is a leading Cable Management System Supplier in Qatar, specializing in high-quality cable tray solutions.

Key Takeaways

Several companies manufacture cable trays in Qatar, including Altura Industries, Advance Line Cable Management System L.L.C, Electra, ServeGas, and Falkland Electricals & Trading Co. Key Manufacturers

Altura Industries is a leading cable tray manufacturer in Qatar, offering a wide range of cable management systems including cable ladders, wire basket trays, and GRP/FRP trays suitable for harsh environments like petrochemical and marine industries. Their products comply with BS EN 61537:2007 standards and are designed for smooth cable installation and durability . Advance Line Cable Management System L.L.C manufactures cable trays, ladders, trunkings, basket trays, and strut channels. Their production facility in Birkat Al-Awamer, Doha, supports large-scale manufacturing, and their products meet British standards. They are ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified, ensuring high-quality and safe cable management solutions . Electra supplies a variety of cable trays and accessories in Qatar, including wire mesh basket trays, flat bends, reducers, and heavy-duty trays with or without covers. Their products are suitable for residential, commercial, and institutional applications, offering robust and customizable solutions . ServeGas is a trusted supplier in Doha providing industry-standard cable trays and cable management solutions for various applications, focusing on efficient and reliable cable routing . Falkland Electricals & Trading Co. W.L.L has been serving the Qatari construction industry since 1998, supplying electrical requirements including cable trays and related accessories .

Summary

These companies provide a comprehensive range of cable tray solutions in Qatar, catering to industrial, commercial, and residential needs. They offer products compliant with international standards, ensuring safety, durability, and efficient cable management. Depending on your project requirements, you can choose from manufacturers like Altura Industries for industrial-grade trays, Advance Line for large-scale production and certified quality, or Electra for customizable and versatile options.
