

Ranking of Electrical Cable Tray and Support Manufacturers

Overview

Mordor Intelligence highlights the top companies of Cable Tray and provides details on leaders as well as major players of the sector.

Key Takeaways

Top global cable tray and support companies include Eaton, Schneider Electric, Legrand, Atkore International, and Marco Cable Tray Systems, recognized for their innovation, durability, and market leadership.

- Eaton Corporation – A global leader in power management, Eaton offers comprehensive galvanized cable tray systems for industrial, commercial, and utility projects worldwide, known for innovation and reliability .
- Schneider Electric – Provides robust cable management solutions for challenging industrial environments, including oil & gas and chemical facilities .
- Legrand Group – Specializes in modern infrastructure cable management, offering galvanized trays and wire mesh systems that combine durability with aesthetic appeal .
- Atkore International (Cope Cable Tray) – Offers highly durable cable tray solutions for petrochemical, power generation, and industrial facilities, with a wide range of standard and custom products .

- Marco Cable Tray Systems – Known for versatile systems adaptable to complex installations with minimal on-site modifications .

Other Notable Manufacturers

- PT. Trias Indra Saputra – Focuses on reliable indoor and outdoor cable ladder systems, widely used in energy and industrial projects .
 - Chalfant Manufacturing – Offers innovative self-connecting and walkable tray lines, emphasizing tailored solutions for diverse applications .
 - Sunil Engineering Corporation – Produces perforated and ladder-type trays with accessories, emphasizing high-quality fabrication .
 - ELCON Cable Trays Pvt. Ltd. – Manufactures wire mesh, ladder, and perforated trays with a comprehensive range of accessories .
 - Snake Tray – Provides aluminum and steel trays, power distribution solutions, and cost-effective cable management systems for data centers, solar installations, and transit projects .
- #### Regional Highlights
- Europe: Niedax Group (Germany), Spina Group (Italy), and Legrand (France) are recognized for advanced designs, compliance with EN 61537 and ISO 9001 standards, and sustainability-focused solutions .
 - South America: Industrias Proa S.A. and BandaMetal (Argentina) provide durable, climate-resistant trays for industrial and renewable energy projects .
 - Asia: Atkore International and PT. Trias Indra Saputra serve diverse industrial and infrastructure needs with customized solutions .

Market Insights

The global cable tray market is growing steadily, driven by industrial expansion, infrastructure upgrades, and renewable energy projects. Galvanized, ladder, and perforated trays are in high demand due to their durability and adaptability in commercial, industrial, and energy sectors . Companies leading in innovation, product variety, and compliance with international standards are preferred for large-scale projects. This ranking provides a comprehensive overview for businesses seeking reliable cable tray and support system suppliers worldwide.
