

Recommended Manufacturers of Cable Trays in Singapore

Overview

Browse our range of electrical cable management trays of all sizes & types in Singapore. Buy wire mesh trays, steel trays & more.

Key Takeaways

Key suppliers of cable trays in Singapore include RS Singapore, Ferrotech, United U-Li Projects, Foresight Metal Engineering, and AE Hub. Major Suppliers and Offerings

RS Singapore offers a wide range of cable trays from brands like Cablofil International, Legrand, and StarTech.com, including wire mesh trays and steel trays. They provide accessories such as cable marker strips and binders, with convenient online ordering and next-day delivery options . Ferrotech Far East Pte Ltd specializes in cable trays for industries such as oil and gas, power, shipbuilding, and pharmaceuticals. Their Ferrograte range includes perforated, ladder, FRP, and wire mesh trays suitable for complex cable management systems . United U-Li Projects Pte Ltd provides high-quality cable trays, trunkings, cable ladders, conduits, fittings, and floor trunking systems for diverse industrial projects. They focus on comprehensive assembly systems for large-scale infrastructure and commercial applications . Foresight Metal Engineering Pte Ltd is a leading specialist in metal cable trays, trunkings, and ladders. Their FME brand is known for quality and custom solutions tailored to commercial and industrial projects, serving sectors like pharmaceuticals, medical, and marine industries . AE Hub supplies metallic cable support systems including cable trays, ladders, and trunking. They offer products in various materials such as stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, aluminum, and epoxy-coated finishes. Their trays comply with IEC 61537, NEMA VE-1, and SS249 standards, and are available in light, medium, and heavy-duty constructions .

Considerations for Selection

When choosing a supplier, consider:

- **Material and durability:** Stainless steel, aluminum, or galvanized options depending on environmental conditions.
- **Tray type:** Ladder, perforated, wire mesh, or FRP based on cable load and ventilation needs.
- **Compliance:** Ensure products meet IEC, NEMA, or local standards.
- **Customization and support:** Some suppliers offer tailored solutions for specific project requirements.
- **Delivery and service:** Online ordering, next-day delivery, and technical support can streamline procurement. These suppliers collectively cover a broad spectrum of industrial, commercial, and infrastructure needs, making them reliable options for cable tray procurement in Singapore.
