

Saudi Arabia Pallet Cable Tray Manufacturer

Overview

Zawayya Tayeba | B2B Cable Management Systems Leading manufacturer and supplier of Cable Tray, Cable Trunking, Cable Ladder, and accessories. Nationwide delivery.

Key Takeaways

Leading manufacturers of pallet cable trays in Saudi Arabia include Integrated Steel Plant, Adhwa Al-Rawafid Electric Industries, MECSS, and WESCOSA, offering a wide range of cable management solutions with ISO-certified quality. Key Manufacturers

1. Integrated Steel Plant (ISP) Integrated Steel Plant operates across Saudi Arabia, supplying high-quality cable trays suitable for industrial and commercial applications. Their product range includes electrical cable trays, powder-coated trays, stainless steel trays, ladder trays, trunking trays, galvanized trays, perforated trays, and hot-dip galvanized trays. ISP emphasizes strict quality control, adhering to ISO 9001:2015 standards, and tests products for tensile strength, dimensional accuracy, and hardness to ensure reliability in all weather conditions .

2. Adhwa Al-Rawafid Electric Industries Based in Dammam, Adhwa Al-Rawafid has been serving the Saudi industrial sector since 2006. They manufacture hot-dipped galvanized cable trays, cable runways, and various trunking systems. Their products are designed for corrosion resistance and durability, and the company maintains ISO 9001:2015 certification. Adhwa provides a full range of fittings, accessories, and hardware to support complete cable tray installations .

3. MECSS (Middle-East Cable Support Solutions) MECSS has over 20 years of experience in manufacturing cable trays, cable ladders, cable trunking, and other cable support solutions. They focus on providing customized solutions for industrial and commercial projects, ensuring compliance with international standards and long-term reliability .

4. WESCOSA WESCOSA, located in Dammam, offers a complete cable support system, including perforated trays, ladder trays, channel trays, and strut framing. Their products are manufactured according to NEMA and IEC 61537 standards and are available in materials such as aluminum alloy, hot-dip galvanized steel, stainless steel 304 & 316L, and fiberglass. WESCOSA also provides a wide range of supports, brackets, and accessories to ensure proper installation and structural integrity .

Considerations for Selection

- Material and Coating: Choose based on environmental conditions (e.g., stainless steel for corrosive environments).
- Certification: ISO 9001:2015 ensures quality management and product reliability.
- Accessories and Fittings: Ensure the manufacturer provides all necessary components for installation.
- Project Scale: Some manufacturers like ISP and WESCOSA can supply nationwide across Saudi Arabia. These manufacturers provide robust, certified, and versatile cable tray solutions suitable for industrial plants, power generation, oil and gas facilities, and commercial construction projects in Saudi Arabia.
