Somali galvanized aluminum-magnesium cable tray manufacturer

Overview

somali-galvanized-cable-tray-company Manufacturer/ProducerAs Emit Metal, we are one of the leading manufacturers of metal cable trays, ladders, and trunkin.

Key Takeaways

Brilltech Engineers Pvt. Ltd. is a leading manufacturer and supplier of galvanized cable trays in Somalia, while ECTRAY offers aluminum-magnesium (ZAM) cable trays suitable for industrial and commercial applications.Brilltech Engineers Pvt. Ltd.

Brilltech Engineers is recognized as one of the top galvanized cable tray manufacturers and suppliers in Somalia . Their cable trays are made from high-grade steel with a hot-dip galvanization process, providing excellent corrosion resistance and long-lasting durability. Key features include:

- Perforated design for ventilation and heat dissipation
- Quick and easy installation to reduce labor costs
- Suitable for power plants, commercial buildings, and industrial projects
- Customizable sizes and specifications to meet project requirements They also supply related electrical products such as LT distribution panels, cable bus ducts, and electrical transformers, making them a comprehensive provider for electrical infrastructure projects .

ECTRAY – Aluminum-Magnesium (ZAM) Cable Trays

For aluminum-magnesium-zinc (ZAM) cable trays, ECTRAY offers a wide range of perforated and heavy-duty cable trays fabricated from high-quality ZAM materials . These trays are designed for:

- Industrial plants, precision machine rooms, ships, and offshore platforms
- Heavy-duty and standard applications, including marine environments
- Robust structural integrity with excellent heat dissipation and cable protection
- Available in pre-galvanized, hot-dip galvanized, and painted coatings with thicknesses from 2mm to 6mm ECTRAY's ZAM trays are particularly suitable for environments requiring lightweight, corrosion-resistant, and durable cable management systems.

Other Options

MCT Metal also manufactures magnesium-aluminum and galvanized cable trays with customizable dimensions and heavy-duty construction . They provide options for pre-galvanized, hot-dip galvanized, stainless steel, and aluminum trays, making them suitable for high-voltage or industrial cable networks.

Summary

For projects in Somalia requiring galvanized or aluminum-magnesium cable trays, the following manufacturers are recommended:

- Brilltech Engineers Pvt. Ltd. – Hot-dip galvanized steel trays, local supplier and exporter
- ECTRAY – Aluminum-magnesium-zinc (ZAM) trays for industrial, marine, and heavy-duty applications
- MCT Metal – Customizable heavy-duty trays in various materials including Al-Mg and galvanized steel These suppliers provide durable, corrosion-resistant, and efficient cable management solutions suitable for commercial, industrial, and infrastructure projects in Somalia.
