

RIVO MULTITRADE OPTICAL SYSTEMS

South African residential electrical distribution box manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Find out what exactly our devices offer and check our Environmental Data Programme. This electrical distribution box can be flush-mounted or surface-mounted. Our range also includes mild or stainless steel weatherproof enclosures rated from IP44 to IP65. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. Golnix Plastics CC came about in 2001 having purchased all the assets, presses and moulds from Golnix CC We started Manufacturing glassfibre kiosks as well as other. ATI Systems is one of the major suppliers of electrical enclosures in Gauteng and can be contacted at (011) 383-8300 or ask for an electrical enclosures quote for a comprehensive quotation and fast, professional service.
