

Southeast Asian fiber optic connector manufacturers

Overview

Top 10 Fiber Optic Manufacturers Serving the Southeast Asian Market The top 10 fiber optic manufacturers, including ZORA, are shaping Southeast Asia's connect.

Key Takeaways

Several companies in Southeast Asia manufacture and supply fiber optic connectors, including FiberTek, Actenn, LinkStar Microtronics, and FiberOpto Asia, with operations across Singapore, Malaysia, Indonesia, and other regional markets. Key Companies in Singapore

- FiberTek: Established in 1999, FiberTek is a one-stop provider of fiber optic products, including connectors, patch cords, adapters, and cables, serving both local and international markets .
- Actenn: Specializes in precision-engineered fiber optic solutions for telecommunications, data centers, defense, and industrial applications, including high-quality connectors and assemblies .
- LinkStar Microtronics Pte. Ltd: Focuses on passive and active optical components, including connector manufacturing, and provides integrated solutions for optical and wireless communication .

- FiberOpto Asia Pte Ltd: Offers customized fiber optic products and solutions, including connectors, across multiple Southeast Asian countries such as Malaysia, Indonesia, Brunei, Vietnam, Myanmar, Thailand, and the Philippines .

Other Notable Suppliers in Southeast Asia

- Advanced Electronic Products Pte Ltd: Supplies fiber optic connectors, patch panels, and related telecommunication products in Singapore .
- TeleScience Singapore: Provides a broad range of ICT and fiber optic products, including connectors, for enterprise and industrial applications .
- FiberOpticToolsCenter (PT. PAWAMA): Based in Indonesia, this supplier offers fiber optic connectors and tools for network installations .

Regional Presence

Many of these companies not only manufacture connectors but also provide fiber optic cables, patch cords, adapters, and network integration services. Companies like FiberOpto Asia and FiberTek have a regional footprint, serving multiple Southeast Asian countries, which is advantageous for large-scale deployments or multi-country projects .

Summary

For businesses seeking fiber optic connectors in Southeast Asia, Singapore-based manufacturers like FiberTek, Actenn, and LinkStar Microtronics are prominent options, while regional suppliers such as FiberOpto Asia and PT. PAWAMA provide broader coverage across the region. These companies offer both standard and customized connectors, along with complementary fiber optic products and services, making them suitable for telecom, data center, and industrial applications .

Top 10 Fiber Optic Manufacturers Serving the Southeast Asian Market

The top 10 fiber optic manufacturers, including ZORA, are shaping Southeast Asia's connectivity landscape with

SCON Co., Ltd.

SCON Co., Ltd. is specialized in manufacturing fiber optic connectors and optical enclosures. Its headquarter is located in Korea.

X-BEAMTECH

Our HXB connectors utilize Expanded Beam technology to provide robust and reliable optical connectivity in harsh and demanding

Fiber Optic Connector Suppliers, Manufacturer, Distributor, Factories ...

Alibaba offers 1,171 Fiber Optic Connector Suppliers, and Fiber Optic Connector Manufacturers, Distributors, Factories, Companies.

Fiber Optic Wholesale Suppliers, Manufacturers & Distributors in Asia ...

Buy premium Fiber Optic in bulk from verified wholesale suppliers and manufacturers in Asia. Best prices, bulk discounts, trusted

FiberOpto Asia | FiberOptics Products & Solutions

We aim to be the leading one-stop shop for all fiber optics requirements and aspire to play an important role to propel fiber optics

List of Fiber Optic Products Suppliers in South Eastern Asia

Of these locations, 414 Fiber Optic Products Suppliers which is 97.64% of all Fiber Optic Products Suppliers in South

Fiber Optic Manufacturers in Singapore: Reliable Solutions by Actenn

As one of the trusted fiber optic manufacturers in Singapore, Actenn specializes in designing and producing high-quality fiber optic

Professional FTTH Fiber Optic Manufacturer & OEM Supplier | ANFKOM

ANFKOM is a professional FTTH fiber optic manufacturer providing cables, patch cords, PLC splitters, and OEM/ODM solutions for

Fiber Optic Connector Manufacturers

Fiber Optic Connectors are an essential component of any fiber optic network that provides a secure and reliable connection

Fiber Optic Connectors Suppliers

Discover 513 Fiber Optic Connectors manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.

List of Fiber Optic Products Suppliers in South Eastern Asia

There are 424 Fiber Optic Products Suppliers in South Eastern Asia as of May 5, 2025; which is an 3.63% increase

Fiber Optic Products Manufacturer Wholesale Supplier China | OPELINK

OPELINK Founded in 2013, in China, is a leading worldwide manufacturer, supplier and wholesale of passive and active fiber optic

Fiber Optic Connector Market Size, Share, Growth, Analysis, 2034

The fiber optic connector market size is projected to grow from \$6.99 billion in 2026 to \$13.83 billion by 2034, at a

Asia Pacific Fiber Optics Market Size | Industry Report, 2030

Asia Pacific Fiber Optics Market Trends The Asia Pacific fiber optics market size was estimated at USD 3.04 billion in 2024 and is

Asia Pacific Fiber Optic Connectors and Cables Market IoT ...

The Asia Pacific region is a hub for technological innovation, and the fiber optic connectors and cables market is experiencing rapid

Asia-Pacific's Fiber Frontier: A High-Speed Adventure to 2030 and ...

The increasing adoption of fiber optic connectors further propels market growth, serving as a cornerstone for reliable

Top Fiber Optic Connector Manufacturers | High-Speed & Low-Loss

Need reliable fiber optic connectors for seamless data transmission? Discover certified manufacturers offering
