

Supply of Irish Trough Cable Trays

Overview

FP McCann's precast concrete cable troughs and service ducts systems are used to house and protect most types of services.

Key Takeaways

Several Irish suppliers provide high-quality trough-type cable trays suitable for industrial and commercial applications. Key Suppliers in Ireland

- Jeetmull Jaichandlall (P) Ltd. This manufacturer offers a wide range of cable trays, including trough-type designs, tailored to industry-specific requirements. Their products are available in various sizes, shapes, and finishes, and they emphasize high-quality manufacturing standards with modern equipment and advanced technology for durability and reliability in industrial settings .
- Electrical Wholesaler Ireland This supplier provides durable cable trays for both domestic and industrial applications. They offer competitive pricing, fast delivery, and a selection of trough-type cable trays designed for efficient cable management and safety .
- Bahra Electric Bahra Electric supplies versatile metal and non-metallic cable trays, including trough configurations. Their products focus on safety, organization, and accessibility, making them suitable for commercial, industrial, and institutional environments .

- **Atkore Cable Tray Systems** Atkore offers a variety of cable tray solutions, including ladder, channel, and wire mesh trays. While primarily known for ladder and channel trays, they provide accessories and fittings that can complement trough-type installations. Their aluminum and steel trays are lightweight, corrosion-resistant, and customizable for complex layouts .

Considerations for Choosing a Supplier

- **Material and Finish:** Ensure the trough-type tray is made from durable materials such as galvanized steel, aluminum, or fiberglass, depending on environmental conditions.
- **Customization:** Many suppliers offer tailored sizes, shapes, and accessories to fit specific project requirements.
- **Compliance:** Check that the trays meet industry standards for load capacity, safety, and electrical insulation.
- **Delivery and Support:** Suppliers like Electrical Wholesaler Ireland provide fast delivery and customer support for installation guidance.

Additional Resources

For broader sourcing, B2B marketplaces like ThomasNet or specialized electrical supply platforms can connect you with both local and international manufacturers offering trough-type cable trays with OEM customization options . By selecting a reputable supplier, you can ensure durable, safe, and efficient cable management for industrial, commercial, or infrastructure projects in Ireland.
