

What are some anti-corrosion cable tray companies in Kyrgyzstan

Overview

installation-of-anti-corrosion-cable-trays-in-kyrgyzstan Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy.

Key Takeaways

Brilltech Engineers Pvt. Ltd. and B.E.C. Conduits Pvt. Ltd. are prominent suppliers of anti-corrosion cable trays in Kyrgyzstan. Brilltech Engineers Pvt. Ltd.

Brilltech Engineers is a well-known manufacturer and supplier of cable trays in Kyrgyzstan, offering galvanized steel, stainless steel, and fiberglass trays that are resistant to corrosion. Their products include perforated cable trays, ladder trays, and raceways, designed for optimal airflow, cable protection, and easy installation. Brilltech emphasizes compliance with industry standards and provides customized solutions, installation support, and project consultation. Their anti-corrosion trays are widely used in electrical, construction, and industrial applications, ensuring durability in harsh environments.

B.E.C. Conduits Pvt. Ltd.

B.E.C. Conduits offers a wide range of cable trays, raceways, and support systems with anti-corrosion finishes such as hot-dipped galvanized, powder-coated, and pre-galvanized surfaces . They provide custom-designed solutions for high-voltage cables, fiber optics, and UTP cabling. Their products are engineered for mechanical strength, impact resistance, and long-term durability, making them suitable for industrial and commercial installations. B.E.C. also provides technical design support and in-house manufacturing to meet complex project requirements .

Additional Resources

For a broader list of suppliers and manufacturers in Kyrgyzstan, Europages lists 16 companies specializing in anti-corrosion cable tray installation, allowing direct contact with wholesalers and manufacturers . This can be useful for comparing product offerings, pricing, and service capabilities. These companies provide reliable anti-corrosion cable tray solutions suitable for industrial, commercial, and infrastructure projects in Kyrgyzstan, ensuring long-term protection and efficient cable management.
