

What are the production locations of cable trays in Singapore

Overview

Cable Tray Manufacturers & Suppliers in Singapore | TrademoFind and discover Cable Tray manufacturers and suppliers for all products in Singapore, featuring.

Key Takeaways

Singapore hosts several cable tray production facilities, including United U-Li Projects, Foresight Metal Engineering, Voltecx, Supermec, and Ferrotech, offering both standard and customized solutions.

Key Production Facilities

United U-Li Projects Pte Ltd has been operating since 2009, providing a comprehensive range of cable trays, trunkings, ladders, conduits, and floor trunking systems for various industrial and commercial projects in Singapore. Foresight Metal Engineering Pte Ltd, established in 1992, specializes in metal cable trays, trunkings, and ladders. Their FME brand is known for high-quality design and they offer customized solutions tailored to client requirements. Voltecx manufactures cable trays, trunkings, ladders, conduits, and C-channels, focusing on construction performance and efficient cable management. Supermec operates large-scale fabrication facilities in Singapore, capable of handling up to 100,000 DB of fabrication per month. Their Singapore facility produces steel cable trays, ladders, and other prefabricated structures, ensuring timely delivery and integration into construction projects. Ferrotech supplies a wide range of cable trays, including perforated, ladder, FRP, and wiremesh types, suitable for efficient cable management systems in Singapore.

Summary

Singapore's cable tray production is concentrated among specialized manufacturers and fabrication facilities that provide both standard and customized solutions. These facilities are equipped to handle large-scale projects, offer prefabrication services, and cater to diverse industrial, commercial, and infrastructure needs. Companies like Supermec also integrate logistics and quality control to ensure safe and timely delivery of fabricated cable trays.
