

RIVO MULTITRADE OPTICAL SYSTEMS

Where can I buy tray-type cable trays in West Asia

Overview

WESCOSA We offer an extensive and Complete Solution for Cable Support Systems. Wescosa designs and manufactures cable tray systems, Cable Tray Manufacturers.

Key Takeaways

You can purchase cable trays in West Asia through regional suppliers like Bahra Electric, international distributors, and online platforms such as Alibaba. Regional Suppliers

Bahra Electric offers a wide range of cable trays suitable for commercial, industrial, and institutional projects. Their products include metal and non-metallic trays in various configurations, providing safety, organization, and accessibility for electrical systems. Bahra Electric serves customers in the Middle East and can supply cable trays for different installation types, including suspended ceilings and floor-mounted setups .

Online and International Platforms

Alibaba hosts hundreds of fiberglass and metal cable tray suppliers that ship to West Asia. You can find manufacturers, distributors, and OEM/ODM providers offering bulk orders, custom sizes, and different tray types such as ladder, perforated, solid-bottom, and wire mesh . This platform is particularly useful for sourcing large quantities or specialized designs. RS Hong Kong and other international distributors also provide cable trays and cable management systems, including brands like Cablofil and Rittal. They offer online ordering and shipping options that can reach West Asian countries .

Types of Cable Trays Available

- Ladder trays: Ideal for heavy-duty cables with excellent ventilation.
- Perforated trays: Provide partial support and airflow for medium-weight cables.
- Solid-bottom trays: Offer maximum protection in dusty or corrosive environments.
- Wire mesh trays: Flexible and easy to install, commonly used in data centers .

Shipping and Logistics

For bulk orders, sea freight is the most cost-effective method, while smaller or urgent shipments can be sent via air freight. Suppliers like those on Alibaba or Bahra Electric can coordinate shipping to major West Asian ports, but buyers are typically responsible for customs, insurance, and local delivery .

Recommendations

- Contact Bahra Electric directly to inquire about local distributors or delivery options in your country.
- Use Alibaba to compare multiple suppliers, request quotes, and check shipping capabilities to West Asia.
- Consider the type of cable tray needed based on load, environment, and installation requirements to ensure compatibility with your project. By combining regional suppliers and international platforms, you can access a wide range of cable trays suitable for industrial, commercial, and infrastructure projects across West Asia .
