Where can I find Austrian mesh cable trays

Overview

Cable Tray In Austria, Cable Tray Manufacturers Suppliers Austria Looking to buy a Cable Tray in Austria?

Jeetmull Jaichandlall (P) Ltd. is one of the trust.

Key Takeaways

Austria has several reputable manufacturers and suppliers of mesh cable trays, including Jeetmull Jaichandlall, eldax Systems, and GEOplast, offering high-quality, customizable solutions for industrial and commercial applications. Key Manufacturers and Suppliers

- Jeetmull Jaichandlall (P) Ltd. – Recognized as one of the top cable tray manufacturers in Austria, they provide wire mesh cable trays in various sizes, shapes, and finishes. Their on-site manufacturing facility uses modern equipment and advanced technology to ensure high-quality products suitable for multiple sectors .
- eldax Systems – Specializes in cable support and laying systems for industrial installations. Their products include walkable cable trays with UL certification, designed for plant construction and automotive industry applications .
- GEOplast – An Austrian company offering high-quality, customized cable tray solutions. They collaborate closely with clients to develop products tailored to specific industrial needs .

- Cablofil® – A globally recognized brand for wire mesh cable trays, available in Austria. They provide innovative cable management solutions and tools like CabloCAD for 3D modeling and project estimation .

Additional Options

Other Austrian suppliers and manufacturers can be found through B2B marketplaces such as Europages and wlv.com, which list multiple companies offering mesh cable trays, walkable systems, and plug-in cable tray solutions suitable for industrial and commercial projects .

Considerations for Selection

When choosing a local manufacturer, consider:

- Material quality and durability – Ensure the trays can withstand heavy loads and industrial wear.
- Customization options – Some manufacturers offer tailored sizes, finishes, and plug-in systems.
- Certifications – UL certification or compliance with industry standards may be important for safety and regulatory requirements.
- Project support – Companies like Cablofil provide design tools and technical support for complex installations. These manufacturers provide reliable, locally produced mesh cable trays suitable for a wide range of industrial and commercial applications in Austria.
