Key Takeaways

Wire mesh cable trays in the Democratic Republic of Congo are available from local manufacturers at prices ranging from approximately \$0.80 to \$76 per unit, depending on size, material, and bulk purchase options. Local Suppliers and Manufacturers

Several suppliers operate in the Democratic Republic of Congo, particularly in Kinshasa, offering high-quality wire mesh cable trays suitable for industrial, commercial, and construction applications. Notable manufacturers include Jeetmull Jaichandlall (P) Ltd., which provides a variety of sizes, shapes, and finishes tailored to industry standards, ensuring durability and resistance to impact and deformation . Other suppliers can be found through trade platforms like Trademo, which list shipment activities, trade volumes, and exporter details for cable trays in the region .

Price Range and Factors

- B2B Bulk Pricing: Wire mesh cable trays purchased in bulk can range from \$0.80 to over \$76 per unit, depending on material (steel, stainless steel, aluminum), size, and customization .

- **B2C or Small Orders:** Smaller quantities or consumer-grade trays may cost between \$15 and \$34 per unit, with potential discounts for wholesale purchases .
- **Material and Quality:** Stainless steel and fireproof FRP trays command higher prices due to durability and compliance with safety standards, while standard steel trays are more affordable .
- **Customization:** Trays with specific dimensions, colors, or advanced finishes may increase the unit price, especially for industrial applications .

Additional Considerations

- **Ease of Installation:** Products with pre-bent configurations, bends, tees, and risers may be priced higher but reduce installation time .
 - **Supplier Reliability:** Choosing established manufacturers ensures adherence to quality standards and consistent supply, which is critical for large-scale projects .
 - **Local Availability:** Prices may vary slightly depending on the supplier's location within the DRC and shipping logistics, particularly for remote areas outside Kinshasa .
- In summary, for industrial-grade wire mesh cable trays in the Democratic Republic of Congo, expect prices to start around \$0.80 per unit for basic steel trays and go up to \$76 or more for premium, customized, or stainless steel options, with bulk purchases offering better value.
